FOR IMMEDIATE RELEASE

Lawyer Monthly Publishes the 2026 Top 100 Personal Injury Attorneys (USA)

January 16 2026 — Lawyer Monthly today announced the publication of its Top 100 Personal Injury Attorneys (USA) 2026, recognising outstanding lawyers who have demonstrated exceptional skill, results, and leadership across the personal injury landscape — including catastrophic injury, medical negligence, mass torts, and wrongful death claims.

The list is compiled through a combination of editorial research, professional reputation, case impact, and demonstrated expertise within personal injury law.

In the coming weeks, Lawyer Monthly will release a special edition profiling the attorneys and firms recognised in the Top 100, featuring background on notable cases, practice focus areas, leadership highlights, and commentary on key trends influencing U.S. personal injury litigation.
